2Timothy 2:15 Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. AV

2Timothy 2:15 Be diligent to present yourself approved to God, a worker who doesn't need to be ashamed, correctly teaching the word of truth. HOL

All of humanity needs to understand the fundamentals of, and then keep the Law of the correct way of living. This is the Law of liberty and it is found, a little here and there, in the First and Second Testaments of Scripture.

The Covenant, or our legal contractual agreement with our God and Father, must be kept. The principles they contain can be applied to all areas of our life.

The controlling influence of such rules will modify the condition of the society, if they are correctly observed.

The more you keep the individual principles, the better your understanding of all of them will become.

We all need to read Scripture regularly and study it with the Plan that God has for his creation in mind. The difference in the physical and spiritual application after baptism of God's Statutes, Judgments and Commandments need to be applied to be properly understood

We will need access to an Interlinear Bible, a Bible lexicon, concordance, dictionary and word study, and several Bible versions, like a word for word and a vernacular translation.
